Dear all,

As foreshadowed in late December and with thanks for the feedback provided, we have now published the first two forms associated with the SVOD Australia content requirement:

- SV01 SVOD annual notification form for services with at least 250,000 paying subscribers (for SVODs which met the lodgement criteria set out on the form's cover page on 1 January 2026, which we anticipate you do, this form must be lodged by 2 March 2026)
- SV02 notifiable circumstances form (to notify the ACMA on certain changes throughout an SVOD reporting year).

If you have any questions, please let us know.

Regards,
