Good Morning [redacted], [redacted] and [redacted]

SVOD Australian Content Requirement Update

I am writing to invite you to a meeting with ACMA Authority Member, Carolyn Lidgerwood and ACMA staff, to provide further information on the implementation of the Australian Content Requirement for Subscription Video on Demand services (SVODs).

Date: Monday 22 June 2026
Time: 11am – 12 noon
Location: Hybrid (ACMA Offices in Melbourne, Sydney and online)

We will provide a more detailed agenda and other relevant documents in the week prior to the meeting.

The meeting will focus on providing you with details about what the ACMA expects SVODs to report on when claiming qualifying expenditure against eligible Australian programs. This will include providing you with our approach around the types of information that will be expected to be reported at pre-production stage of a program's development.

You can also expect that the meeting will respond to stakeholder feedback on our draft annual compliance report form (as it relates to total program expenditure and revenue reporting).

RSVP

To facilitate the meeting, we ask that you please respond to this invitation no later than **5 June 2026**, providing details of your attendees as well as where they will be attending the meeting (online, in Melbourne or in Sydney). A meeting invitation will follow your response.

If you are unavailable at the proposed time, please let us know and we will find a suitable time to provide you with the relevant information.

If you have any questions, please let us know.

Many thanks
