30.3.26 with track changes - draft Preliminary Investigation report BI-753.docx

---

Good afternoon Carolyn,

As discussed at the Authority meeting on 19 March 2026, please see the draft preliminary report for the Sacrifice investigation (BI-753) for your review.

For ease of reference & readability I have attached:

(i) A 'clean copy' word document of the draft preliminary investigation report dated 30 March 2026 which has incorporated the suggested changes from the Authority meeting on 19 March 2026.

(ii) A comparison word document which shows all the track changes from the draft investigation report dated 19 March 2026 to the draft preliminary investigation report dated 30 March 2026.

(iii) [redacted]

(iv) The email sent to the Authority Secretariat RE: Authority Package which includes attachments (which may assist with reviewing the draft preliminary investigation report).

See also a link of the broadcast.

I also wanted to flag that the draft report still needs some tidying up in some of the additional parts (to reduce duplication) but for expediency we would be grateful to get your views of the substantive changes to ensure we are on the right track.

If you have any questions, please do not hesitate to let me know.

Regards,
