Thanks [redacted] – the report is reading v well for what is a complex investigation with multiple issues!

I agree in circumstances would be good to get this one to Autumn asap (particularly with Vic public holiday on Monday) – I have reviewed and made comments in the Authority paper and investigation report, most of which should hopefully be straightforward to address.

Good evening Alana,

As flagged with [redacted] earlier today, we have reviewed LSD's comments (see attached email) and updated the Sacrifice draft investigation report and Authority package (see attachments in zip file).

Please see the Authority Package for your review and clearance:

BI-753 Authority submission.docx

BI-753 Sacrifice Draft Investigation Report.docx

In terms of timing, we are proposing the Authority meeting on Thursday 19 March which requires:

(i) EM clearance by **COB Monday 9 March** [noting that [redacted] will be acting EM on Friday 6 March and Monday 9 March]; and
(ii) GM clearance by **midday 11 March** (papers due COB Wednesday 11 March)

I am very conscious of the tight timeframe for clearance and that there is a public holiday in Victoria and the ACT on Monday 9 March.

Please let us know if you would prefer us to move this paper to the Authority meeting on Thursday 26 March so that there are longer clearance times. [also noting the sensitivity of the timing of the publication of the report – Anzac Day is approximately 4 weeks from the date of the Authority Meeting on 19 March.]

Please let me know if you have any questions.

Regards,
